

FEES:

Paid Member (own kit): £2

Paid Member (kit hire): £4

Non-Paid Member (own kit): £3

Non-Paid Member (kit hire): £5

A participant is a club member attending a session in which they are actively participating, or accompanying a family member less than 18 years old.

All participants including non-paddlers **must** have completed a membership form before participating in a Club Session.

For sessions at Hetton Lyons Country Park, the SA Medical/Consent form must have been completed.

NB - A Junior (<18years) may only participate in a session if a Parent or Legal Guardian member is present and will continue to be present throughout the session. That person must be noted on the Session Attendance List. If said person is not actively participating in the session then only the relevant 'own kit' fee need be paid.

Parents or Legal Guardians members do not need to participate but must be a member and **must be present at all times** during a session.

A person's participation in a paddling session is entirely at the discretion of the leading coach.
